	Task Info		Project	Hours Spent
21/09/2023	Worked on updating Anniversary Price Update when clicking Anniversary Price Update button in subscriptions detail view. Update Anniversary Price Update Percentage as 15% if the custom field Anniversary Price Update Percentage is null. If any value in the custom field (Anniversary Price Update Percentage) we have to update the value as Anniversary Price Update Percentage while calculating Anniversary Price update. All the mentioned things are done in Test Isaloon Books instance of Isaloon		Isaloon	2
21/09/2023	In live instance of Isaloon created a button Next Anniversary Date. If click this button we will show the date on which Anniversary Price Update Date is shown in a message		Isaloon	1
24/11/2023	Took 5 minutes small video demo of explaining how Anniversary Price Update is updated using Custom Button ClickToUpdateAnniversary. While clicking this custom button anniversary price update percentage is taken from the customer field Anniversary Price Update Percentage. If the field Anniversary Price Update Percentage is null then if you click ClickToUpdateAnniversary it will update anniversary price update percentage as default 15% otherwise it will update the anniversary price update percentage as the percentage updated in customers module field Anniversary Price Update Percentage		Isaloon	1
30/11/2023	Updated Anniversary Price Update Percentage is 5% when no value is updated in the custom field Anniversary Price Update Percentage of customers related to the subscription		Isaloon	1
22/01/2024	Created Advance Payment Report for a customer in Zoho Analytics		Isaloon	1
23/01/2024	Created tabular view report for Customer Advance Payment		Isaloon	1
23/02/2024	Worked on Isaloon to fix the issue of some of the fields updated to blank		Isaloon	2
02/03/2024	Prepared report for Mike https://analytics.zoho.eu/workspace/90073000000263019/edit/900730000007064218		Isaloon	2
02/03/2024	Me and Prem Sir worked on showing Customer Payments for only deposit fee invoice. We fine tune the Customer Advance Payments Report		Isaloon	2
12/03/2024	Try to find why for cancelled subscriptions SUB-00973, SUB-00962 invoices is raised. I try to replicate the same thing by cancelling the test subscriptions but I couldn't		Isaloon	2
24/04/2024	Now Anniversary Price Update will happen in isaloon Zoho Billings on 1 day before Anniversary Price Update Date		Isaloon	1
16/05/2024	Find why sales iq chat box is freezed in two sites https://www.salonmanageronline.co.uk/ and https://www.isalonsoftware.co.uk/ and enabled the sales iq zobot for the both sites		Isaloon	2
16/05/2024	Prepared documentation in google docs for enabling chat bot for two sites and the google docs link is https://docs.google.com/document/d/1zT6rljnd9eji4lNZKLn8X_PR4iuqbhNe3MdQPY2bxw/edit?usp=sharing		Isaloon	1
17/05/2024	Find why tickets are not created in zoho desk that is due to organization id used in the zoho one account is not used in sales iq to create ticket in zoho desk. If we change the organization id to the zoho one organization id. It shows error		Isaloon	3
24/05/2024	Me and Prem Sir found why tickets are not created in Zoho Desk for Ruby Zobot of SalesIQ and raised support ticket in zoho one by Prem Sir and I prepared the email content for raising the support to Zoho one		Isaloon	2
03/06/2024	Updated new zoho API domain from old zoho api written in custom functions of Zoho Books, Zoho Billing. In Zoho Inventory there is no custom functions so no need to update it		Isaloon	1
04/06/2024	Trying to fix the issue in zoho desk tickets creation while the visitor of website isalon software submit the support request		Isaloon	2
07/06/2024	Raised Support to Zoho for receiving more emails to isalon regarding subscriptions become live and becomes null		Isaloon	1
11/06/2024	Replied to support ticket created for issue in creating tickets in Zoho Desk when a customer raise a support ticket using Ruby isalonsoftware zobot SalesIQ in isalonsoftware website https://www.isalonsoftware.co.uk/		Isaloon	1
13/06/2024	Fixed creating ticket in zoho desk using zoho oauth connection created in salesIQ by us. But the default Zoho Desk Integration is not working properly		Isaloon	3
25/06/2024	Updated old domain of subscriptions used in the function UpdatingDealStageonDocSign in Zoho Sign Documents of Zoho CRM		Isaloon	1
28/06/2024	Try to resolve invoice created from Zoho CRM		Isaloon	2
16/07/2024	Cross checked subscriptions anniversary price update in the month of July 2024 and June 2024 with status as live will update the anniversary price update as 5% if it is 15% then we need to check why it is updated wrongly		Isaloon	3
31/08/2024	Find a possibility for updating the quantity of one time addon of a plan in a subscription during creation of subscription		Isaloon	1
26/09/2024	Tested the case the customer is not able to make it inactive. While making inactive message shows Customer has active subscriptions. But there is no subscriptions are related to the customer		Isaloon	1
26/09/2024	Raised support to zoho one through email why particular customer is not able to make it active from the email kumarraja070182@gmail.com		Isaloon	1
