02/02/2023	Cross checked products in CRM and items in Books for Thorunn		Thorunn	1
02/02/2023	Added two signees for the quote templates and invoice is also created for the quote after both parties signed the quote		Thorunn	3
04/02/2023	Created three email templates given by Prem Sir and sent those templates when quote is out for signature and quote is signed		Thorunn	3
05/02/2023	Created three email templates given by Thorunn and send one of the template when quote is sent out for signature and sent one of the template when sent document is signed and also sent one of the email template when all the documents under a quote is signed		Thorunn	4
24/02/2023	Created new template for three products and removed commision field in template for one product and shown demo and sent video for Thorunn		Thorunn	4
27/02/2023	Created template for all products and completed signing process for all products and tested it		Thorunn	4
11/05/2023	Understand the requirement given by Thorunn and we discussed it over google meet and also discussed the same thing with Thorunn		Thorunn	3
16/05/2023	Create a webform with company and last name and append it in contact page of zoho sites of Thorunn and try to update it in lead module. But the same web form raw html code is update to the lead module of Thorunn but the lead form in contact page of zoho sites is not updated because the zoho site is not published		Thorunn	4
17/05/2023	Setup Lead Management Process in blueprint for Thorunn and create a web form with fields approriate to the requirement and published her zoho site using sub domain and synced it to lead module of Thorunn Zoho CRM		Thorunn	6
18/05/2023	Completed the whole setup and shown demo to Thorunn up to what we did. We did capturing the lead from web form in Zoho Sites contact page to lead module as prospect. Once the lead is qualified through blueprint during qulaification process we popup a widget to check need meeting. If they checked then during conversion of lead to contact send an email notification in that we send a zoho booking url		Thorunn	3
22/05/2023	Lead Disqualification Email Notification is added while sales person clicks the transition Disqualify in lead management process blueprint		Thorunn	1
24/05/2023	Shown demo to lead management process through bluprint for Thorunn		Thorunn	1
24/05/2023	Make first name in webform as mandatory and when we create a lead send email notificaton to user Thorunn		Thorunn	1
26/05/2023	Took small video demo for quote signing process for Thorunn		Thorunn	1
26/05/2023	Shown demo to Thorunn the entire process of signing and automatic creation of invoice in books when all the templates are signed by both the customer and quote owner		Thorunn	1

	Task Info		Project	Hours Spent
