

	Task Info		Project	Hours Spent
01/10/2024	Worked on sending proposal letter and service agreement while clicking the button in detail view of contact module and button named as "Initiate Onboarding Process"		Medicaid	1
02/10/2024	Completed Onboarding Process. Implemented "Initiate Onboarding Process" button in the detail view of contact module and click the button sends proposal letter as email to the contact and sends service agreement for signing using zoho sign to the contact and after sends both proposal letter and service agreement automatically creates a task with due date after 3 days to follow up the contact to sign the service agreement using zoho sign		Medicaid	3
03/10/2024	Shown demo to Client about Onboarding Process implemented in Contact Module. Shiva Sir told me once the Zoho Sign Documents are Signed it will be updated in the Zoho Sign Documents related to the contact. I have to work on it		Medicaid	2
03/10/2024	Updated the Closing Date of Referral while updating the Medicaid Issue using workflow		Medicaid	2
05/10/2024	Completed once signing the MSP Service Agreement. It is updated as Signed in Zoho Sign Documents and attach the signed documents and completion certificate in Zoho Sign Documents		Medicaid	3
08/10/2024	Update the closing date by earliest date if we update the multiselect options of Medicaid Issues		Medicaid	1
09/10/2024	If we choose Medicaid Issues as "Code Removal" then there is a field Medicaid Services it is a Multi Select field. Options are dynamically updated based on the options in Medicaid Issues. Now update the options of Code Removal only need to update others		Medicaid	2
10/10/2024	Updated appropriate medicaid services options while updating the options of medicaid issues		Medicaid	2
11/10/2024	Worked on setup blueprint for portal users in the Referral Module in order to upload forms		Medicaid	3
14/10/2024	Discussed and worked on blueprint to collect resources files by portal users using kiosk		Medicaid	3
16/10/2024	Update Zoho Sign Document Details in notes section of Referral module whenever there is an update in Zoho Sign Documents. So that contact can see the zoho sign document details in client portal referral module notes section		Medicaid	2
16/10/2024	Update County details of New York State in Referral Module		Medicaid	1
17/10/2024	Worked on Medicaid Project in blueprint process for code 48		Medicaid	3
18/10/2024	Tested Zoho Sign Documents created by Komal		Medicaid	2
21/10/2024	Added transition to prepare forms for Code AL (Assisted Living), Code NH (Nursing Home), Code 95, 46, or I code (OPWDD), Code H78 With Medicaid MANAGE CARE PLAN (NY State Market Place), Code H78 With Medicare (NY State Market Place) AND NO MEDICAID MANAGE CARE PLAN		Medicaid	3
21/10/2024	Update while sending the form to applicant for signing and the details of form sent out for signature, signed and cancelled are updated in notes of referral module		Medicaid	2
22/10/2024	Worked on prefilling the fields created for Applicant, Spouse and Facility in the zoho sign template for the form 5178-A		Medicaid	3
23/10/2024	Created New Zoho Sign Template for the form 5178-A and pre-filled the fields by zoho crm referral module fields		Medicaid	3
25/10/2024	Removed referral module fields and only fields containing case information in Maps		Medicaid	2
25/10/2024	Created Zoho Form Fields and mapped the fields created in zoho forms with zoho sign fields and send out for signature		Medicaid	3
28/10/2024	Mapped bank fields for signing process and created		Medicaid	4
29/10/2024	Completed Sign Fields for the Form 5178		Medicaid	6
30/10/2024	Worked on mapping the Sign Fields with Zoho Form Fields of the Form 5178		Medicaid	8
31/10/2024	Worked small works in mapping between Sign Fields and Zoho Form Fields of Form 5178		Medicaid	3
01/10/2024	Completed the mapping between Sign Fields and Zoho Form fields of Form 5178		Medicaid	2
04/11/2024	Worked on prefilling the form fields using URL params		Medicaid	2
04/11/2024	Tried auto filling the form fields of Zoho Forms using other ways		Medicaid	2
05/11/2024	Tried dynamic prefilling of form fields using zoho flow webhook trigger but we couldn't send the response back in the response of webhook in zoho flow		Medicaid	5
05/11/2024	Found a solution to prefill the form fields dynamically using standalone function of CRM (REST API) as webhook in Zoho Forms and filled the applicant and Spouse Information		Medicaid	3
06/11/2024	Tried to fill the remaining fields of Form 5178 dynamically prefilling using standalone function in CRM		Medicaid	6

	Task Info		Project	Hours Spent
07/11/2024	Completed Prefilling the Form Fields of Form 5178 dynamically upto Bank Account Fileds		Medicaid	4
07/11/2024	Completed HIPPA Form dynamic prefilling form fields of Zoho Forms using standalone function in zoho crm		Medicaid	2
08/11/2024	Raised chat support from Zoho CRM about why decision box is wrongly updated while prefilling the Zoho Form Fields from Zoho CRM		Medicaid	2
09/11/2024	Worked on dynamically prefilling fields of form 5178 using standalone function in Zoho CRM		Medicaid	5
11/11/2024	Worked on dynamically prefilling fields of form 5178 using standalone function in Zoho CRM		Medicaid	5
12/11/2024	Worked on dynamically prefilling fields of form 5178 using standalone function in Zoho CRM		Medicaid	5
13/11/2024	Worked on dynamically prefilling fields of Zoho Forms of Medicaid		Medicaid	5
14/11/2024	Worked on dynamically prefilling fields of Zoho Forms of Medicaid		Medicaid	5
15/11/2024	Worked on dynamically prefilling fields of Zoho Forms of Medicaid		Medicaid	5
18/11/2024	Worked on dynamically prefilling fields of Zoho Forms of Medicaid		Medicaid	5
19/11/2024	Worked on dynamically prefilling fields of Zoho Forms of Medicaid		Medicaid	5
20/11/2024	Guided Vithiya on creating appropriate fields in appropriate modules and place the api names of the fields created for Zoho Forms in Zoho CRM in spreadsheet used for it and map those fields in Zoho forms mapping section inorder to match with response from webhook		Medicaid	2
20/11/2024	Completed 10. the zoho form "MAP- 3123 RESIDENCY REVIEW WORKSHEET" by creating appropriate fields and place it in appropriate modules and place those fields in spread sheet used for it and map those fields in Zoho Form settings page of dynamic prefilling		Medicaid	3
20/11/2024	Replicate the blueprint created in Referral Module "Referral Case Management" in Referral Case Module as "Referral Cases Module"		Medicaid	1
20/11/2024	During the transition "Prepare Forms for Code 54, No Long-Term Care" between the stages Case In Process and Prepared Documents of Referral Case Module create a tasks based on the forms need to sent for signature		Medicaid	2
21/11/2024	Guided Vithiya on creating appropriate fields in appropriate modules and place the api names of the fields created for Zoho Forms in Zoho CRM in spreadsheet used for it and map those fields in Zoho forms mapping section inorder to match with response from webhook		Medicaid	2
21/11/2024	Created Approver Name, Approver Email fields in Zoho Forms and assign those field in Zoho Sign Integration as Approver Name and email. So that approver will review and correct the values of zoho form prefilled fields dynamically from zoho crm in Zoho Sign		Medicaid	2
21/11/2024	Fixed issue in mapping of the zoho form "MAP_3177E_DISABILITY DETERMINATION REQUEST" by fixing the code of deluge in custom function and map all the fields of the Zoho Form in dynamically prefilling settings page of Zoho Forms		Medicaid	2
25/11/2024	Removed Boolean alternative fields in Referral and Referral Case Fields		Medicaid	2
25/11/2024	Added Approver Name and Approver Email and prefill it using url parameters		Medicaid	2
25/11/2024	Tested completely the zoho form to zoho sign integration by prefilling approver name and email and during submission of the form sent out for signature		Medicaid	1
26/11/2024	Worked on creating tasks during the transition Prepare Documents in the blueprint of Referral Cases Module		Medicaid	3
27/11/2024	Prepared Email Templates in Referral Cased Module given by client John in appropriate transitions in referral cases management blueprint in the module referral cases		Medicaid	3
27/11/2024	Prepared process steps of referral cases mangement for demo to Prem Sir and sent screenshot of email templates prepared in the module referral cases		Medicaid	2
28/11/2024	Prepare Json for task automation process by preparing google sheet by adding Form Name, Form Link and Medicaid Issues		Medicaid	3
28/11/2024	Prepared what are the things we need to ask to John to clarify to add placeholders in the Referral Cases module templates and sent screenshot to Prem Sir		Medicaid	2
29/11/2024	Automate the task creation process in the transition of Prepare Documents using the json prepared for it and shown demo to Shiva sir for creating video		Medicaid	3
02/12/2024	Updated placeholders and added reason for denial in referral case modules email templates		Medicaid	2
02/12/2024	Mapped new fields of HIPPA Form and Tested the forms and mapped Applicant Name and Applicant Email in some of the forms duning testing		Medicaid	3
02/12/2024	Tested create task during the transition prepare forms in the referral case module and the form name and form link is not updated for Bank Attestation Form and fixed the issue by changing the form_type = "sign" as "Sign" in json used to create tasks		Medicaid	1

	Task Info		Project	Hours Spent
03/12/2024	Tested what are all the forms completed and identified the forms we need to map and started working on creating separate module "Disability Questionnaires" and started creating fields for it		Medicaid	5
04/12/2024	Completed Fields created for the form "Disability Question Form" in a separate custom module "Disability Questionnaires"		Medicaid	3
04/12/2024	Identified not completed forms and updated in the Google Sheet in the Sheet named as "Process" and in the Column "Not Completed Forms" https://docs.google.com/spreadsheets/d/1L2LslqcNYAMogYgw_-GJCRqKg2U8G8llcYyEgpnasLQ/edit?gid=1940018140#gid=1940018140		Medicaid	1
05/12/2024	Mapped all the fields of Disability Question Form while mapping when the fields of mapping reached more than 50 it doesn't allow us to map because field mapping reached maximum limit of 50		Medicaid	5
06/12/2024	Sent screenshot of Disability Question Form because mapping is limited to 50 fields to Prem Sir		Medicaid	1
06/12/2024	Tested Code 54 medicaid issue and found where are the areas we need to fix. Found HIPPA, Bank Attestation and 5178 forms are having problem in mapping due to checkboxes and try to fix those		Medicaid	3
07/12/2024	Fixed issues in dynamic prefilling of forms HIPPA and Bank Attestation Form and give demo to Shiva Sir for Bank Attestation Form. HIPPA Form dynamically prefilling now but sign document is not created while submitting the form		Medicaid	5
09/12/2024	Fixed issue in dynamic prefilling of Auth to Release Info Form, Nursing Home Discharged Paperwork, HCBS Termination Form, Code 95 Form		Medicaid	2
09/12/2024	Fixed issue in dynamic prefilling of Doh- 5149 and check the sign process also		Medicaid	3
09/12/2024	Try to fix the dynamic prefilling issue of the form DOH-5178-A but couldn't fix it		Medicaid	1
10/12/2024	Tested sign process of Bank Attestation Form, Auth to Release Info Form, HCBS Termination Form, Code 95 Form, NYIA ASSESSMENT REQ FORM-0522		Medicaid	4
10/12/2024	Shown demo to Shiva Sir about Referral Cases Management blueprint for the medicaid issue Code 54 and dynamic autofilling and signing process during submission of DOH 5149		Medicaid	1
11/12/2024	Fixed mapping issue in HIPPA by raising support and Karthik from Zoho fixed the issue in mapping Zoho Form Fields with Zoho Sign Fields		Medicaid	1
11/12/2024	Fixed mapping issues in Zoho Forms		Medicaid	3
17/12/2024	Worked on creating child information in Referral module and tried to auto filled the created fields		Medicaid	2
18/12/2024	Mapped the created fields of child information and other fields of referral module related to MSP Form and mapped those fields while mapping it limit us when mapping reached 50		Medicaid	2
18/12/2024	Guided how to add users in Zoho Projects, how to send email alerts using workflows in zoho projects under task automation and discussed how to remove blocks of standard layout of marketing project but couldn't		Medicaid	1
18/12/2024	Format Validation of Applicant Social Security Number using client script in detail view, edit view and create view of standard layout of referral module		Medicaid	2
19/12/2024	Format Validation of Spouse Social Security number, First Child Social Security Number and Second Child Social Security Number for detail page, edit page and create page of referral module		Medicaid	3
19/12/2024	Worked on creating fields in the custom module named as ACCESS NY Health Care		Medicaid	2
20/12/2024	Mapped created fields for Section A part of Access NY Health Care Medicaid form and dynamically filled those fields		Medicaid	2
23/12/2024	Prepared Google Sheet for Medicaid about the things we need to done https://docs.google.com/spreadsheets/d/1VBzH4_pSAiNsrBTEs6B3J2DjaDX8RuxV0gwVUBInDpE/edit?gid=1678885242#gid=1678885242		Medicaid	2
24/12/2024	Deployed things need to done in referral module suggested by Medicaid Team		Medicaid	4
27/12/2024	Created Fields for Family Information of Section B		Medicaid	4
30/12/2024	Worked on dynamically mapping the fields created for Section B of DOH 4220		Medicaid	4
31/12/2024	Worked on dynamically mapping the fields created for Section B of DOH 4220		Medicaid	4
03/01/2025	Changes suggested by John in HIPPA Form is completed		Medicaid	3
03/01/2025	Reviewed Forms and update the changes required during reviewing the Zoho Forms		Medicaid	3
04/01/2025	Fields created for DOH-5147		Medicaid	1
04/01/2025	Checked what are all the forms are not mapped		Medicaid	1
04/01/2025	Dynamically prefilled the DOH-5147 fields		Medicaid	2

	Task Info		Project	Hours Spent
04/01/2025	Fixed Mapping Issue in DOH-5178 Form and mapped 150 mappings for it. After that there is a limitation in mapping		Medicaid	2
06/01/2025	Mapped First Family Member Details of Section B and fixed issue in received response doesn't matched with expected response		Medicaid	3
07/01/2025	Completed Hippa Form dynamic prefilling based on suggestion given by John		Medicaid	4
08/01/2025	Completed Hippa, Authorization to Release Info Form, DOH-5018 Self Declaration Form and Code 95 Form		Medicaid	5
09/01/2025	Added Google Drive link and Zoho Form Link in the google sheet https://docs.google.com/spreadsheets/d/1pq6SOuvjkqoy4g_XS6pFICCO4L-ZOLc7TIQR3AdgY2Y/edit?usp=sharing		Medicaid	1
09/01/2025	Worked on ten forms and tested those from dynamic prefilling of zoho form fields and signing process		Medicaid	5
10/01/2025	Shown Demo to John and he gave suggestions and fixed county in HCBS termination form and fixed address issue in Bank Attestation Form		Medicaid	1
10/01/2025	Fixed issue while expiring the credits when the subscription is on the date of expiry by making the Credits Purchased and Credits Utilized custom fields as default value of 0		Medicaid	1
10/01/2025	Completed dynamic mapping completely for MSP Form		Medicaid	2
10/01/2025	Completed dynamic mapping completely for Determination of Disability Form		Medicaid	1
13/01/2025	Worked on dynamic mapping of Map 751k and tested some of the forms		Medicaid	5
16/01/2025	Completed dynamic mapping for Map 751k		Medicaid	6
17/01/2025	Worked on dynamically mapping the form Map 909		Medicaid	7
18/01/2025	Completed dynamic mapping of the form Map 909		Medicaid	2
18/01/2025	Completed splitting Applicant SSN, Applicant Date of Birth, Applicant Phone Number and Applicant Cell Number and Representative Date of Birth and Phone Number in Zoho Sign and integrate it with Zoho Form of Auth Representative Form		Medicaid	3
19/01/2025	Dynamically prefilled the Auth Representative Form Fields from Referral module of Zoho CRM		Medicaid	4
20/01/2025	Worked on changes need to to be on all forms		Medicaid	4
21/01/2025	Worked on dynamic mapping of Auth Representative Form Section 3: Signature. Completely completed it		Medicaid	2
21/01/2025	Worked on dynamic prefilling of Disability Question Form		Medicaid	3
22/01/2025	Dynamically prefilled the Disability Question Form from Disability Questionnaires module of Zoho CRM		Medicaid	5
23/01/2025	Tried how to prefill the merge fields inside the prefillable fields in Zoho Writer using custom function written in the detail view button of the doh 4220 module in Zoho CRM. If the fields are merge fields then the fields are mapped and if the merge fields are inside the prefillable fields then error occurs while running the custom function to prefill it.		Medicaid	2
23/01/2025	Analysed KTS Joinder Agreement Form and started creating fields for the form in separate module named as " KTS Joinder Agreements" in Zoho CRM		Medicaid	3
24/01/2025	Tried mapping DOH-4220 using Zoho Writer. But we can map only one module in the related lists we can map up to 10 fields only		Medicaid	2
24/01/2025	Zoho Writer doesn't work so tried to map the DOH-4220 fields to Zoho Sign using custom function in the detail view button of Referral module and mapped one or two fields before start the work		Medicaid	3
25/01/2025	Started mapping DOH-4220 sign template using custom function in detail view button of Referral Case Module and completed Section A of DOH -4220		Medicaid	3
27/01/2025	Dynamic mapping between Zoho CRM and Zoho sign of the section B of DOH-4220 half part completed		Medicaid	6
28/01/2025	Completed dynamic mapping between Zoho CRM and Zoho Sign of Section B and Section D of DOH 4220 by using custom button named as "Send Sign Document of DOH-4220"		Medicaid	7
29/01/2025	Completed dynamic mapping between Zoho CRM and Zoho Sign of Section C of DOH 4220 by using custom button named as "Send Sign Document of DOH-4220"		Medicaid	3
29/01/2025	Completed dynamic mapping between Zoho CRM and Zoho Sign of Section D, E, F and G of DOH 4220 by using custom button named as "Send Sign Document of DOH-4220"		Medicaid	2
29/01/2025	Completed dynamic mapping between Zoho CRM and Zoho Sign of Section H of DOH 4220 by using custom button named as "Send Sign Document of DOH-4220"		Medicaid	2

	Task Info		Project	Hours Spent
30/01/2025	Completed dynamic mapping between Zoho CRM and Zoho Sign of Section I of DOH 4220 by using custom button named as "Send Sign Document of DOH-4220"		Medicaid	2
30/01/2025	Added Test Data in Medicaid App 4220 module record and tested how dynamically prefilled the zoho sign fields		Medicaid	1
30/01/2025	Explained Shiva Sir about how we can send documents for DOH-4220 by explaining the things what we did for DOH-4220		Medicaid	1
31/01/2025	Worked on dynamically prefilling the Zoho CRM fields of KTS Joinder Module to Zoho Forms		Medicaid	6
01/02/2025	Completed dynamic mapping between Zoho CRM and Zoho Sign of Section H of KTS Joinder Agreement		Medicaid	5
03/02/2025	Update Age of client, spouse, first child and second child when there is an update in the date of birth of client, spouse, first child and second child in referral module		Medicaid	2
03/02/2025	Worked on dynamically filling the sign fields of sign document of DOH-5178 using the button named as "Send Document of DOH-5178" in the detail view of Referral Case Module		Medicaid	4
04/02/2025	Worked on mapping of CRM fields of Section A,B,C of DOH-5178 using the button named as "Send Document of DOH-5178" in the detail view of Referral Case Module		Medicaid	6
05/02/2025	Completed mapping of CRM fields of Section D,E,F,G and H of DOH-5178 using the button named as "Send Document of DOH-5178" in the detail view of Referral Case Module		Medicaid	7
06/02/2025	Removed unwanted fields and aligned the needed fields of HIPPA form fields in Referral Module of Zoho CRM		Medicaid	3
07/02/2025	Carried out clean up work in the fields of Referral Module		Medicaid	2
10/02/2025	Analysed and carried out clean up work in Auth Release Form, DOH-5018, Code 95, Bank Attestation, DOH 5149, HCBS Termination, MAP-3123, Social Security Attestation MAP-2026, MSP Form 2024, Determination of Disability, DOH-5147, MAP-3177e Disability Determination Request		Medicaid	3
10/02/2025	Worked on dynamic mapping between Zoho CRM fields of module CTS Joinder Agreement with Zoho Sign Template using button in Referral Case Module because this form has more than 150 fields		Medicaid	2
10/02/2025	Changed single line fields of how much tax pay fields are changed to currency fields		Medicaid	1
11/02/2025	Dynamically Added Signee Details and Approver Details in the DOH-4220 and DOH-5178 while sending document using button in the detail view of Referral Case Module		Medicaid	2
11/02/2025	Worked on dynamic mapping between Zoho CRM fields of module CTS Joinder Agreement with Zoho Sign Template using button in Referral Case Module because this form has more than 150 fields		Medicaid	3
12/02/2025	Worked on dynamic mapping between Zoho CRM fields of module CTS Joinder Agreement with Zoho Sign Template using button in Referral Case Module because this form has more than 150 fields		Medicaid	3
12/02/2025	Worked on dynamic mapping between Zoho CRM fields of module CTS Joinder Agreement with Zoho Sign Template using button in Referral Case Module because this form has more than 150 fields		Medicaid	3
12/02/2025	Completed dynamic mapping between Zoho CRM fields of module CTS Joinder Agreement with Zoho Sign Template using button in the detail view of Referral Case Module		Medicaid	2
13/02/2025	Worked on dynamic mapping between Zoho CRM fields of module Health NY Applications and Zoho Forms		Medicaid	1
13/02/2025	Tried to create new Referral and Referral Case and started the blueprint and I found some bugs due to no data in some of the fields. I fixed this issue		Medicaid	2
13/02/2025	Worked on dynamic mapping between Zoho CRM fields of module Health NY Applications and Zoho Forms		Medicaid	3
14/02/2025	Worked on feedbacks given by John Liriano for yesterday demo		Medicaid	6
15/02/2025	Completed all feedbacks given by John Liriano on day before yesterday demo		Medicaid	4
15/02/2025	Shown Demo to Shiva Sir about all the completed feedbacks given by John Liriano in day before yesterday demo		Medicaid	1
15/02/2025	Deactivated the workflows to update age of client, spouse, first and second child by formula field		Medicaid	1
17/02/2025	Split MAP 751k fields into four sections named as MAP 751k CHANGE REQUESTS REQUIRING DOCUMENTATION, MAP 751k CHANGE REQUESTS NOT REQUIRING DOCUMENTATION, MAP 751k MEDICAL ASSISTANCE STAFF ADVICE and MAP 751k CONSUMER AND STAFF DETAILS		Medicaid	3
17/02/2025	Found that tasks are created while choosing the Medicaid application as one of the options in Medicaid Issue Details in the referral case module		Medicaid	1

	Task Info		Project	Hours Spent
17/02/2025	Hide the stage field of Referral in the create view and set the stage field of Referral as "Referral Case Received" to start the blueprint of Referral Cases Management		Medicaid	1
17/02/2025	Created 10 layout rules in the module Map 751 and 909e forms inorder to show and hide the specific fields based on the change in certian conditons		Medicaid	1
18/02/2025	Created small video demo of how to create referral and referral case. Relate a referral with created referral case and click the button process case. While clicking the button choose the medicaid issue details as Medicaid Application. Now click the button it will create 17 related open activiites for Medicaid Applicaition and then we will attach appropriate docuemnts needed for the open activiites and close those activities. https://tinyurl.com/297sugao		Medicaid	3
18/02/2025	Created small video demo of how Hipaa Form related fields in ceated referral and then go the related referral case and open the activity related to hippa form in the referral case module. Now open the hippa form link in the task of hippa and it will load the data related to hippa in zoho crm in the hippa form and click the submit button toi submit the document of hippa to applicant. https://tinyurl.com/2ar4ve24		Medicaid	2
19/02/2025	Discussed with Prem Sir how to add kiosk inorder to popup the suitable fields of the form and allow user to enter the particular of the form while submitting we will redirect to the form		Medicaid	1
19/02/2025	Worked on dynamically prefilling the zoho crm fields of module Health NY Applciations to the Zoho Form		Medicaid	1
20/02/2025	Learned Kiosk and implement Kiosk to fill HIPPA Form in blueprint of Referral Cases Management		Medicaid	4
20/02/2025	Tested DOH-5147 - Submission of Medicaid Application and DOH-5017 - Verification of Employment and fixed some of the mapping issues in both of the forms and both are ready for tomorrow demo		Medicaid	1
21/02/2025	Worked on Kiosk to display the Hipaa Form Fields of Referral Module and edit those displayed fields and update those Hipaa fields from Referral Case using Button in the detail veiw of Referral Case Module. I tried lot but couldn't implement it.		Medicaid	5
24/02/2025	Worked on Kiosk to display the Hipaa Form Fields of Referral Module and edit those displayed fields and update those Hipaa fields from Referral Case using Button in the detail veiw of Referral Case Module. I tried lot but couldn't implement it.		Medicaid	1
24/02/2025	Worked on creating article for Medicaid. How to create Referral and Referral Cases and added the steps involved in it in learn.zoho.com		Medicaid	2
24/02/2025	Worked on creating article for Medicaid. how to send Hipaa Authorization Form for signature and added the steps involved in it in learn.zoho.com		Medicaid	2
24/02/2025	Worked on creating article for Medicaid. how to send DOH-4220 document for signature and added the steps involved in it in learn.zoho.com		Medicaid	1
25/02/2025	Worked on the suggestions given by John in 5178 sign template. Fixed some of it. Checkbox issue is not fixed		Medicaid	1
25/02/2025	Worked on creating atricles for Medicaid how to send DOH-5178 document for signature and added the steps involved in it in learn.zoho.com		Medicaid	3
25/02/2025	Worked on DOH-4220 and DOH-5178 documentation in learn.zoho.com based on the suggestion given by Prem Sir		Medicaid	2
26/02/2025	Worked on creating article for Medicaid. how to update MAP-3177E - Disability Determination Request Form in Referral moduel and sent for signature in learn.zoho.com		Medicaid	1
26/02/2025	Worked on fixing the issue in sending document in DOH-5178 using the button naned as "Send Sign Document of DOH-5178" in the detail view of Referral Case Module		Medicaid	2
26/02/2025	Worked on fixing the issue in sending document in DOH-4220 using the button naned as "Send Sign Document of DOH-4220" in the detail view of Referral Case Module		Medicaid	2
27/02/2025	Worked on Kiosk to display Applicant and Spouse Information from Referral Module and display it in the Referral Case Module		Medicaid	1
27/02/2025	Worked on Feedbacks given by John Liriano through the video sent it to Prem Sir		Medicaid	4
28/02/2025	Worked on sending Subscription Id, Subscription Number, Subscription Status, Customer Name, Customer Id and Latest Transaction Log Closing Credit Balance whlie sending an request to rest api and query parameter is account_id and the value is CRM account id you want to need the data for the particular account		Medicaid	3
01/03/2025	Guided Shiva Sir to take video about Authorization to Release Info Form and MAP 3177E Determination of Disability Request From		Medicaid	2
